

# HARTLEY C.C. TENNIS

## SECTION

Hartley Country Club has six all-weather courts, two of the courts are floodlit, thereby facilitating play throughout the year. This year courts 1, 2, 3 and four are to be resealed and painted, last year courts 5 and 6 had this treatment. Our courts are in a picturesque location on the edge of woodland and the Hartley cricket pitches. Apart from the main club house with its excellent facilities we have our own small club building, a pleasant building with facilities is laid on.

There are approximately 55 senior members, most of whom play league matches. Ladies, Men's and Mixed teams, plus Veteran teams, are entered in the Kent and North Kent LTA Leagues both summer and winter. Last summer season the club won three divisions and was relegated from none.

Social play is also important, and takes place on Tuesday evenings in the summer and throughout the season on Sunday mornings. Club Championships are run during September, and very popular American tournaments are organised throughout the year.

The American Tournaments are social occasions where players of all abilities join in getting points for the number of games won. You get allotted various partners throughout the morning and play several games lasting a set fifteen minutes in which you gain your points. At the end of the morning there is a lady and gentleman winner but no booby prizes. For the sum of £3.00 per person, which includes refreshments and a raffle, anyone can have a good morning's tennis and meet new people.
