

JUNIOR/YOUTH FOOTBALL

Junior football arrived at the Country Club in 2002 in the shape of Saturday morning soccer skills for children under the age of 12. In conjunction with the local Hartley youth side Hartley De Sales there are now four junior sides playing matches in the winter months at the Club. The football club has in total 9 teams including an old boys men's team. The junior teams are made up primarily from children at the two local Hartley Schools and the youth teams with children from Hartley at various secondary schools.

Children can become involved in football by attending coaching sessions run by the various team managers.

HARTLEY COUNTRY CLUB

Hartley Country Club offers something for everyone. If you want a drink with friends, our large modern bar is the ideal place. We open all day on Saturday and Sunday.

An extensive menu is available at lunchtime and during the evening.

The Club has Sky TV for major sporting events

There are various social activities organised throughout the year, and members may also book the hall for their own private functions.

For the sporting the choice is wide - both indoors and outdoors in grounds of over ten acres - from bowls for the leisurely, to squash for the energetic. The following pages describe the available sporting facilities in greater detail.

The beautiful grounds are tended by a groundsman, who ensures that the sports surfaces are kept in tip-top condition.

Children may accompany their parents to the Club and may become juniors of a number of the sports sections. Section juniors may attend the Club unaccompanied by their parents when they are taking part in an authorised section activity. Youth membership is also available to 16 and 17 year-olds

Hartley Country Club is a private members' club - all members are shareholders.

The Club is conveniently situated just off the Ash Road in Hartley and is about seven miles from both Dartford and Gravesend. There is ample parking space.

CATEGORIES OF MEMBERSHIP

Membership of the Club is open to persons over the age of eighteen years. There are the following categories of membership:-

TENNIS

Six all weather courts, two with floodlights, mean that tennis can be played literally day and night all year round. Men's and ladies' mixed teams and juniors play in both the Kent and North Kent Leagues.

Full players may use the courts at any time.
Off Peak there are certain restrictions on the times the courts can be used

Any Club member may use the courts at any time, provided they are not required for matches or by Section members, at a cost of £3.00 per player, or £5.00 per family. Arrangements should be made via the Bar Staff who will offer a key to the courts. No tennis balls will be provided.

Youngsters are encouraged and junior coaching sessions are arranged on a regular basis by a qualified coach, who organises Tennis Camps during the school holidays. Mini-tennis is also played in the Club Hall.
